

# ***One Resilient Common Future: Transforming our Common Wealth***

## ***CDPF Message for Commonwealth Day***

**“Let us ensure One Common Future for the more than 400 million disabled people/people with disabilities living in the Commonwealth” is CDPF’s message for Commonwealth day**

***Now, we need a Disability Inclusion Action Plan to be adopted by the Commonwealth Heads of Government at Samoa in October 2024.***

***All but one country have ratified the United Nations Convention on the Rights of Persons with Disabilities***
