

COMMONWEALTH DISABLED PEOPLE'S FORUM

Media & Communications Unit

30th March, 2026

To,

The Executive Members and Member Organisations,
Commonwealth Disabled People's Forum

SUB: Call for Contributions for CDPF Newsletter

Greetings from the desk of the Communications Officer.

I would like to invite contributions from across our network for inclusion in upcoming editions of the CDPF Newsletter. The aim is to continuously capture and share the diverse voices, experiences, and work of our members across the Commonwealth.

I kindly request you to share articles that highlight:

- Actions being taken to advance the rights and inclusion of persons with disabilities in your country
- Current situations or developments impacting persons with disabilities
- Ongoing or completed projects, initiatives, or programmes
- Any meaningful or inspiring stories that are worth sharing with the wider CDPF community

In addition, I would greatly appreciate your suggestions for individuals who could be featured or interviewed in the newsletter. These may include advocates, leaders, practitioners, or persons with disabilities whose work or experiences can inform and motivate others.

Please include photographs or supporting materials along with your submissions, where available. Submissions and suggestions may be emailed to: commscdpf@gmail.com

I look forward to your valuable contributions, which are essential in making the newsletter informative, representative, and impactful.

Thank you for your continued engagement and commitment to advancing disability rights across the Commonwealth.

Warm regards,

(DIETHONO NAKHRO)

Communications Officer

Commonwealth Disabled People's Forum (CDPF)
